People in Casual Attire

People in Business Attire

Sequential Alpha Channel images add photographed walking and standing people to your scenes. High number of looping frames create unbelievable life-like characters that walk across your screen . . . you'll think you're watching live video! Can be rendered in any 3D program or composited in your favorite 2D program. 76 characters on both 2-CD libraries. Great competitive pricing !

**PAGE 2 . . . . . Bonus Character Thumbnails**  
**PAGE 3 . . . . . Business Library Thumbnails**  
**PAGE 4 . . . . . Casual Library Thumbnails**

# **BONUS CHARACTERS**

*Same bonus characters included with  
both texture libraries*

*NOTE: Quality of thumbnails shown in this PDF  
document not representative of actual textures.  
See downloadable samples for actual quality.*
